Food & Beverage

All food and beverage must be supplied and prepared by the Hotel. This is due to liability and legal restrictions. No outside food and beverage are permitted. The Spa at Norwich Inn is the only licensed organization to sell liquor for consumption on the premises. State law requires that all persons must be a minimum of 21 years of age to purchase and consume alcoholic beverages. The Spa at Norwich Inn may at any time in its sole discretion suspend or terminate the service of alcohol. All items ordered must serve the minimum number of guaranteed guests. We do not accept orders for items that serve less than your minimum guarantee. Please refer to catering menus for minimums on menu offerings. These are not subject to reduction.

Catering

No food or beverage of any kind will be permitted to be brought onto or removed from our premises. All items ordered must serve the minimum guaranteed number of guests. Should we serve more guests than the number of meals/attendees guaranteed, then you will be billed for the actual number of guests served. To ensure we are able to supply all your event requirements, catering menus and event details must be confirmed at least two weeks prior to the event. As catering is prepared specifically to order, we do not carry all menu items at all times. Therefore, while we will do our best to accommodate menus received on short notice, please note we cannot guarantee all items would be available should the menu not be received in a timely manner.

Catering Fees

A 21% service charge and CT Sales tax (currently 7.35%) will be added to all food, beverage, audio visual and applicable miscellaneous charges. The services charge is taxable in the State of Connecticut. Room rental fees are subject only to the 7.35% Connecticut Sales Tax. All pricing is quoted per person, unless otherwise indicated. Refreshment breaks and buffets are based on a 1 ½ hour service time. This will ensure high food quality is maintained. Additional charges may be incurred for extending service time. Labor fees for Chef's Attendants and Bartender is \$125 per attendant. This fee is subject to CT Sales Tax. For any contractual discounts, service charge is based on the full retail price. Discounts on service charge are not applicable.
